

AirTest TR9277- EO Evaluation Program (CAN)

The Product:

The TR9277-EO is a light harvesting, EnOcean® wireless transmitter, that measures CO₂, Temperature and Relative Humidity in an attractive wall mount enclosure. The sensor is powered by ambient indoor light. The CO₂ concentration in the space is indicated by pressing a side button and watching the flash sequence of LEDs on the right side of the light-harvesting panel.

EnOcean Profile: (EEP) A5-09-04 (Certified 2.0)
